**The Gift**

**Eyes fearful, paws worn  
A sowerful sight  
So forlorn**

**Love they said would be the cure  
For the suffering  
You had endured**

**So our family grew that day  
We brought you home  
With Us to Stay**

**Looking back it's unclear  
How we got by  
Without you here**

**Trusted companion, devoted friend  
You give and give  
It never ends**

**They said we were a gift to you  
But now we know  
Who rescued who.**
