

Southern Indiana Golden Retriever Club

S.I.G.R.C News Letter January 4, 2006

Roca Bar 7:00 Present: Evelyn, Dave, Polly, Terri, Barb, Faye, Connie, Nancy, Dick, Tom

President Dave Straeffler called the meeting to order.

Evelyn read the minutes from November one correction a conflict of interest form needs to be signed by officers and was agreed upon at the November meeting.

Treasurer's Report: SIGRC \$1867.53 Flash \$3239.17 Deposits have not been made while expenses have been paid...

Old Business:

501c2 status: Dick is finalizing some things. Conflict of interest form was signed by all officers.

Rescue: 8 year old was adopted. One year old no recent contact. Family who found the male 5-6 year old we hope will keep him. John put his picture on the web and Polly had gone out to chip him. He did not have a chip.

Regarding puppy referrals: Evelyn referred a few to our web site. If others get calls refer them to our site since many breeders are listed on it.

Evelyn has mailed the print to the women who won it. It was insured for \$200.

Connie brought information regarding getting new shirts with logo. Set up fee is \$25.00 Each shirt will cost \$8.00 to do plus the cost of the shirt. Group selected the navy polo with a thin kaki piping on the collar and cuff. Dog will be gold and lettering red bandana.

Helen presented Dr. Nicholas with a gift from our club for use of his facility for clinic.

Clinic: Polly will contact the doctors to see if they can come in August instead of July. If they can change back to our original month we will go with them. We will also keep the clinic with Dr. Nichols.

New Business:

Helen proposed we make Everett and Ann Campbell honorary lifetime members and give them a certificate to the Drury Inn for \$100 in recognition of their work in tracking training for the club. With a second from Nancy motion carried.

Polly brought up John Scheidel's application. He has paid for last year and this year. With all his work on the web he of course is voted in. He could not be at tonight's meeting (he notified E) but will try and attend next month.

Polly mentioned the Solomon's who had also submitted an application and paid their dues. They have not been voted on. Dick commented that if we had cashed their check we seem obligated. Others felt since we have not seen them in so long we need to contact and see if they still have interest. Polly will contact.

Polly brought up a letter from the April fund Group decided it is more important to use our meager funds locally.

We received a request from Kansas City club to donate a basket for their raffle for the national specialty. Club will do but each individual will contribute something to the basket instead of using club dues.

Evelyn brought a letter sent from AKC reminding everyone not to leave dogs unattended in unsafe conditions. This is considered an education issue that all clubs need to make everyone aware of.

There is a C match at EOC this Sat.

Braggs: Cajun and Walker visited the cancer unit a Deaconess and were very well received.

Terry has been tracking with Jet

Adjourned at 8:15 ecw

Next regular meeting is Feb 1, 7:00 at the Roca Bar
