The Gift

**Eyes fearful, paws worn
A sowerful sight
So forlorn**

**Love they said would be the cure
For the suffering
You had endured**

**So our family grew that day
We brought you home
With Us to Stay**

**Looking back it's unclear
How we got by
Without you here**

**Trusted companion, devoted friend
You give and give
It never ends**

**They said we were a gift to you
But now we know
Who rescued who?**
