A volunteer from Animal Control was in the Roca Bar and came back to our meeting to meet our members. She was given a copy of our 501c paper to file on our behalf with Animal Control. We should not have any more issues regarding removing a Golden from them. She suggested we contact Donna Russell at Animal Control if we need help.

Eye and Heart Clinic: Barb will check with Melinda regarding doctors. The clinic will be the last week-end in July or the third week end in August.

Dave commented on the special program regarding blood testing. We could do this in late April or early May. We would need an electronic leaflet plus regular paper leaflet. We may need a bigger venue.

501c2 status: We are approved.

Match: Club members will act as stewards. It is \$15.00 per hour to rent EOC. We will do obedience first and then conformation. Everyone should bring something to share (snack) Judges are Rosie Baldwin for conformation and Cathie Blackburn for Obedience. Match starts at 1:00. Fee is \$7.00 for the first dog and \$5.00 for second. We will gift each judge with a \$20.00 certificate to Give Your Dog a Bone. Evelyn will pick them up.

Rescue: \$60 was turned in by Barb from Angela Duncan for FLASH. Kay has a Max a medium size male. He is being treated for heartworm. Barb checked on three others. One was reclaimed by the owner. The adoption fee is \$90.00. Barb suggested we set up an appointment with Tom Hayden to introduce ourselves and find out operating procedure for rescue re their rules. Evelyn said she would go too.

Jamie is now on an animal control board. She stated Tom Hayden needs state required by Animal Control Board. Education of school children is important. Something we may pursue.
