Rescue: Concern that Tom Hayden of Animal Control is not calling us re incoming Golden's. Barb will call Jamie to see what we can do re this.

RE upcoming events. April 2, Saturday will be game day with the dogs. Location ?

Dues are due now \$15.00 per family. Please send to Faye ASAP.

Evelyn asked that everyone check our web site for out of date information to have John remove. She will ask him to only host one site, the new www.sigrc.org site and remove the other as being a bit confusing. Rescue people please make sure info is current. Faye will check with Shannon to see if her name can be removed from the puppy referral list.

As soon as we are a recognized AKC club we will need appropriate stationary.

Award sheets need to go to John to be put on the web.

Give A ways were discussed. Magnets either commercially prepared or done in house were discussed. Evelyn will check on the commercial ones. Faye will check on pens. Buttons too were discussed. Evelyn will check at work and Barb will do same at school.

Hutch is on his way to Florida. He has 10 points and needs 2 majors to finish.

Terrell was introduced. She has a Golden named Sunny that she got from Helen. Sunny was 10 months old and had been returned to Helen. She was a Torch pup. She is doing very well in obedience and field work. Terrell also has a Papillion Bart who is an Obedience champion and a Min Pin. She has taught and run matches at EOC for many years. Also a husband Fred (who is much older) 3 children and assorted grand children. Everyone was very nice to her so it is hoped she will join. Evelyn will send her the form and add her to the email list.

The next meeting is February 7 at 7:00 at the Roca Bar.
