

Southern Indiana Golden Retriever Club

S.I.G.R.C News Letter June 6, 2007

Present: Evelyn, Terry, Connie, Helen, Polly, Dick, Nancy, Terrel

Vice President Dick Blackburn called the meeting to order.

Treasurer's Report: None Given

Eye and Heart Clinic: Polly reported we did make a slight profit of \$273.80 last year. Because of the high gas prices etc club decided to charge \$30 for any service, heart, eyes or chip with a 10% discount for anyone doing all 3. In addition we would give a 10% discount to anyone bringing over 5 dogs, 10% of the total bill regardless of what they had done. The date is July 28 29. Polly will look into buying the microchips to save costs. Helen has the Comfort Inn reserved. We will take the DRs. To dinner either at the Pizza place or the Mexican restaurant again to save costs. Who has the basket to bring to auction off? Please bring it. Polly showed some large metal dog bowls Faye and Barb had gotten we could fill with stuff and auction off. EW has some stuff and can fill one for the clinic or if the bags come in on time could fill one of those.

Bag update: EW had a sample of the art work she had done for the bag. Members approved. She will order 100 bags at \$1.90 each plus the \$60 set up charge and shipping.

DNA blood testing event: Over 100 flyers were sent out. Only 7 came, all but one were club members. Interesting event and we were opposite a vet meeting still disappointing.

Rescue: No update accept for the note from Trish re Murphy who seems to be doing really well and has found a loving home.

Nancy asked about the Football ticket idea fundraiser. We need the tickets by the clinic. The tickets cost \$20 with the club getting \$14. Once you buy them it is up to the buyer to check the web each week to see if they have won. Little work for the club. Just need to sell. Surely everyone knows some football fans who they can sell these to. Nancy will order 100 tickets for a total of \$600.

Helen mentioned Give A Bowl every dog we adopt out if they go to

www.giveabowl they get a \$400 coupon for Purina and we get a \$ coupon.

Polly had pen samples from Faye. 300 pens for 3 cents.

www.sigrc.org ... Rescue people please make sure info is current. . the basket we have had for several years now. E will bring a stack of new books to auction off as well.

Upcoming Event

WCWCX June 16 at Helen's: Helen needs volunteers. Please be at her house by 7:30. Directions are on the premium on our web site. We should be done by noon. Dave has volunteered to grill. It was pointed out we made a bit of money on the food last time just by asking for donations. We think that is a good idea. We need a basket with FLASH rescue on it to encourage donations this time.

:

Braggs: Barb went winners bitch and winners and best of breed with Stella at Cincinnati and best of ops Brian Clegg would like to handle her at the national in Seattle.

Polly showed Joey for the first time in a year and he got a third and a fourth at Corydon.

Helen Skeet is now a master Hunter HRCH Sunny Dawn's Super xtreme, MH, CD Title earned May 6 GRC of IL. Also her daughter had another baby.

Dick's son won one of 10 scholarships given out by the army. He will be going to the National Inst of Paris to study Economics or International Relations wow I think that would be a Best of Group if he were a Golden! Dick and Nancy will be visiting!

Helen will be hosting her annual July 4th party on June 30

The first Wed of the month is the July 4 Holiday. Should we meet on the second Wed July 11? And if so where? Dave what do you think? We have the WCWX on the 16th and the clinic on the 28th
